Engaging the Strategic Plan

Supporting campus safety, health and wellness, accessibility, sustainability, community engagement, and economic development

Safety: My Western—Safety Links

The image shows a screenshot of the My Western website's navigation menu. The background is a solid purple color. At the top center, the text "My Western" is displayed in a large, white, sans-serif font. Below it, in a smaller white font, is the tagline "A website from us to you". The navigation menu is organized into three vertical columns of white rectangular buttons, each with a small icon and a dropdown arrow. The left column contains buttons for "Social Media", "Health", "A Better Me", "Civic Engagement", and "Logout". The middle column contains buttons for "Help Me", "My Schedule", "Links", and "Safety". The right column contains buttons for "Academics", "Money", "Things to Do", and "Miscellaneous". Below the "Safety" button, a list of safety-related links is displayed in a light gray box with a thin border and horizontal dashed lines separating the items: "Main Safety Page", "Campus Escorts", "Emergency Callboxes", "Student Patrol", "Emergency Medical Services", "Crime Victim Assistance", and "Prevention Programming".

A Safe Campus Benefits Everyone

Western Illinois University's Office of Public Safety provides a safe and secure environment for our campus. We are committed to the prevention of crime; protection of life and property; preservation of the peace, order and safety; enforcement of laws and University policies; quality parking services; and the safeguarding of constitutional guarantees.

With community service as our foundation, we investigate public safety and parking related problems and seek solutions which result in a safe, secure, and as accessible a campus as possible. We attempt to establish such a campus environment by working collaboratively with the community and by treating every individual with respect, fairness and compassion. We strive to maintain public trust and confidence by holding ourselves to the highest level of integrity and professional standard.

Safety and Security is Everyone's Business

We partner with all members of the WIU community to provide a safe environment. Through training, education, and environmental management, we strive to provide a campus that is pleasant, safe, secure, and provides for a high quality of life for all of our members and guests.

Some of our safety programs & strategies include;

- Electronic device registration
- An escort system
- The installation and recent testing of our Emergency Alert System
- Upgrades to our emergency blue light callboxes
- A dedicated group of Team Police stationed in the residence halls
- Crime Victim Assistance & Advocacy

Health and Wellness: University Counseling Center

Earned re-accreditation by the International Association of Counseling Services in December 2017

Health and Wellness: Beu Health Center

**Laboratory was re-accredited
by COLA in February 2018**

Health and Wellness: Alcohol and Other Drugs Center

AOD Resource Center was re-licensed by the Illinois Department of Human Services through May 2020

Health and Wellness: New Food Pantry

Located at the former ticket booth, southeast of Hanson Field

The idea was initiated by Mandi McRaven, who works in the University Union, approached Dietetics Assistant Professor Emily Shupe

Sustainability: RecycleMania

- 12th Consecutive Year of Participation
- 4,040 pounds of organic/food scrap waste was composted during the eight-week competition
- WIU diverted 79,400 pounds of recyclable materials

Sustainability-Move In and Year Round

- University Housing and Dining Services collected and diverted 3,280 pounds of cardboard from the landfill during opening weekend

IT WEIGHTS 3,280 POUNDS

WHAT WEIGHS 3,280 POUNDS?

2014 Toyota Camry

Sustainability-Move In and Year Round

- University Housing and Dining Services collected and diverted 3,280 pounds of cardboard from the landfill during opening weekend
- University Housing and Dining Services also recycled 32,725 pounds of mattresses

What weighs 32,725 pounds?

Sustainability: Campus Grounds

- WIU received this award for the 6th consecutive year

Sustainability: Campus Grounds

- The award honors colleges and universities for effective campus forest management and engaging students, faculty, and staff in conservation goals

Sustainability: Treating Emerald Ash Borer

- 73 Ash trees were safeguarded against the pest. Treatments continue on a rotating basis to ensure the health of the campus' Ash trees

Sustainability: Treating Emerald Ash Borer

- In addition, the WIU Forestry Club offered treatments to protect local ash trees from the EAB

Developing Visionary, Yet Implementable Strategies

Supporting smaller scale projects that enhance interactions between students, faculty, staff, and guests of the University

We Care

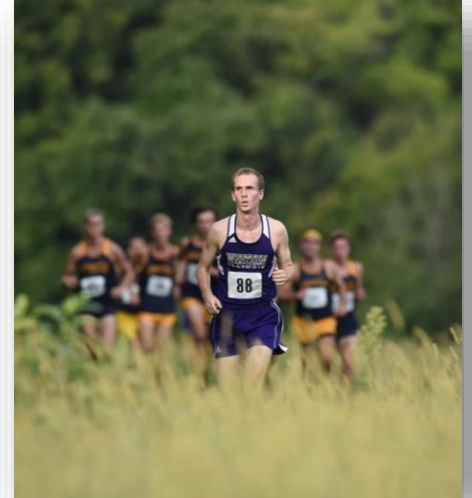

Campus Grounds

Facilities Maintains over 300 acres of campus grounds and nearly 2,700 trees

Campus Grounds: Athletics

Facilities also supports over 14 acres of athletic field turf
