### Home of Our Museum Studies Program

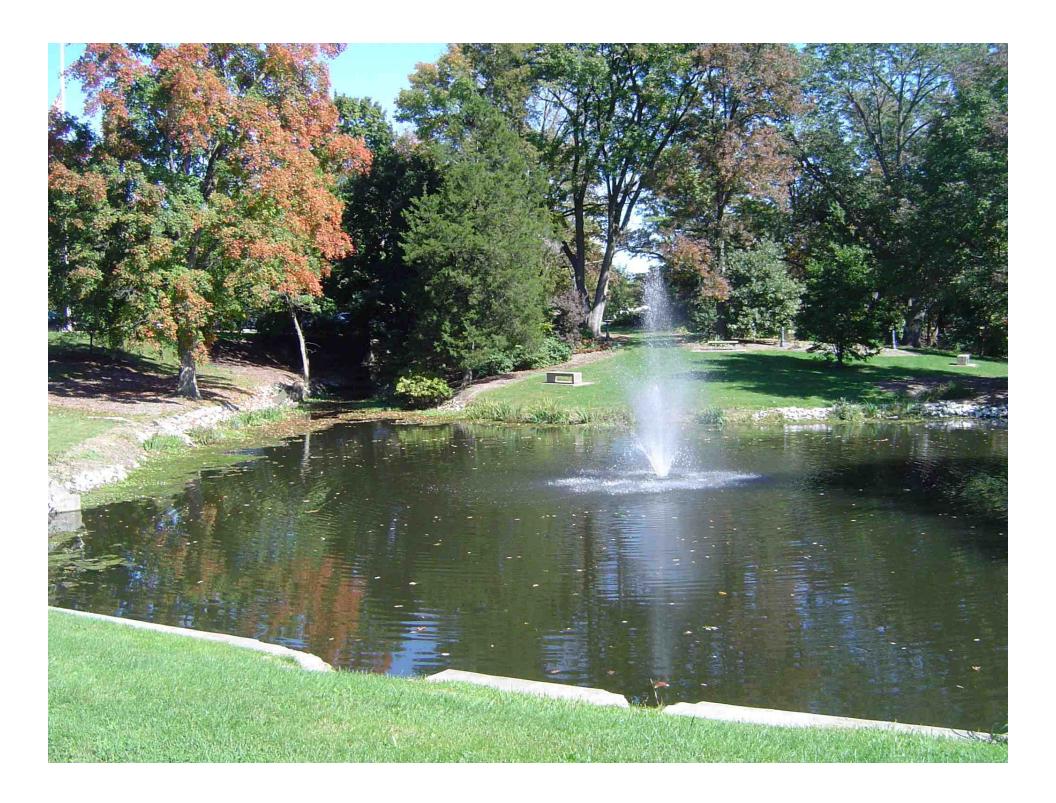

# Site of Our New Testing Center and Potentially Classes

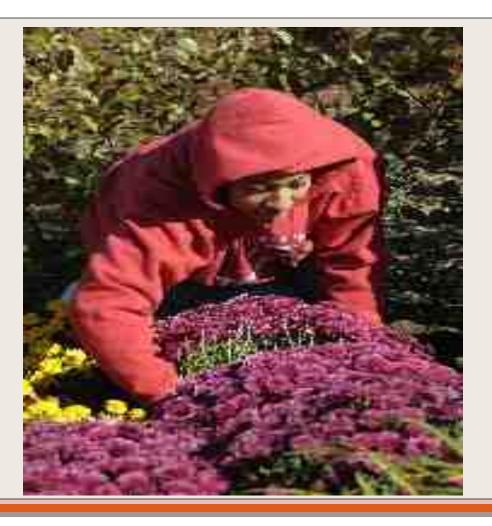

#### 69 new bins

#### 25 new LED Signs

We Care Activities on both Campuses

- Increased usage of Green Seal cleaning products by 400 gallons (a 67-percent increase).
- Purchased four new
   Hybrid Toyota Prius
   vehicles, for a total of eight
   hybrids in the fleet.
- Successfully employed a sugar beet based deicer in winter 2008 as an additive to salt used for deicing.

- Campus-wide recycling efforts yielded:
  - 829 palettes (approximately 18.7 tons).
  - 98.9 tons of scrap iron.
  - 10.4 tons of confidential shredded paper items.
  - 51 tons of library books.
- Placed 17<sup>th</sup> out of 61 schools in national "Recyclemania" contest

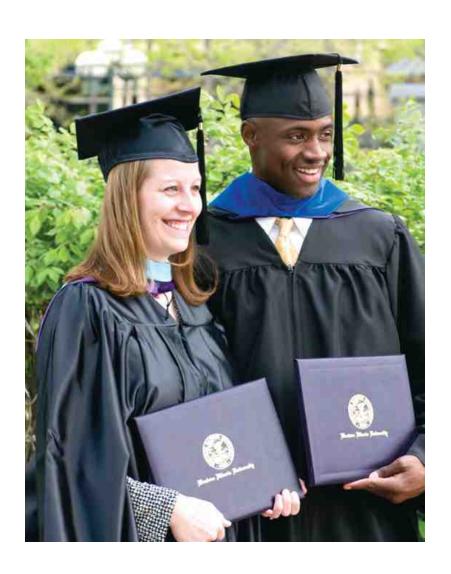

- Educational efforts included sponsoring:
  - Dr. Robin Rosenberg to speak on "Challenges to Environmental Sustainability in Latin America."
  - Mr. Chad Pregracke of Living Lands and Waters to speak on the Mississippi River clean-up initiative.
  - Mr. Stephen Hamstra, AEE
     Midwest Energy Management
     Professional of the Year to speak
     on the importance of LEED
     design.
  - Mr. Thomas Hylton, author of Save Our Land Save Our Towns to speak at the University's annual Environmental Summit.

- Western Illinois University and the U.S. Army Corps of Engineers' Rock Island District signed a Memorandum of Understanding to support the shared goals of protecting natural resources and enhancing environmental sustainability in the region.
- Western Illinois University students and faculty participated in the inaugural Upper Mississippi River Conference Thursday-Saturday, Aug. 21-23 at the i wireless Center in Moline.
