Report 18.12/4

Academic Years 2020-2021 through 2024-2025 Academic Calendars

In accordance with WIU Board of Trustees Regulations §III.B, the University has developed a University Calendar containing significant academic dates and events during the twelve-month period commencing with each fall term. Earlier this semester, the Academic Calendar Committee met to develop a proposed five-year calendar beginning FL 2020. Attached are the committee's recommendations for five new calendars (2020-21 through 2024-25); these recommendations were approved by President Thomas on December 3, 2018. A list of the committee members and additional committee documentation are available on the Provost's web site at <http://www.wiu.edu/provost/calendar/proposed.php>.
