

WESTERN ILLINOIS UNIVERSITY BOARD OF TRUSTEES

June 9, 2017

Resolution No. 17.6/2 FY2018 Preliminary Spending Plan

WHEREAS Western Illinois University must prepare a preliminary spending plan prior to July 1 for State Appropriated, University Income, Auxiliary and All Other Funds for the Illinois Board of Higher Education, Illinois State Legislature and the Governor; and,

WHEREAS this spending plan requires Board of Trustees approval prior to submission; and,

WHEREAS this spending plan reflects Western's tradition of strong, conservative fiscal management and resource allocation to support goals and priorities stated in *Higher Values in Higher Education* and Western Illinois University's *Mission Statement*:

THEREFORE be it resolved that the Board of Trustees approves the FY2018 spending plan as presented in the FY2018 spending plan document, and be it further resolved that the President be authorized to make technical adjustments in these budgets if necessary.

Illinois state statute requires Western Illinois University (and all other Illinois public universities) to prepare a *Fiscal Year 2018 Preliminary Spending Plan* prior to July 1 for State Appropriated, University Income, Auxiliary and All Other Funds for the Illinois Board of Higher Education, Illinois State Legislature, and the Governor. Furthermore, the *Fiscal Year 2018 Preliminary Spending Plan* must be approved by the Western Illinois University Board of Trustees prior to institutional submission and expenditure. The Preliminary Spending Plan for Fiscal Year 2018 is displayed in the table below.

As of May 31, 2017, the Illinois General Assembly failed to pass any spending bills or a comprehensive FY18 budget plan. In February 2017, the Illinois Governor proposed a budget that would cut all of Higher education by 15% of FY15 appropriation levels. In May 2017 the Senate passed SB6 which would have cut funding to Higher Education by 10% of FY15 appropriation levels. In FY16 and FY17 combined, WIU has only received 53% of FY15 appropriation levels.

Because of the uncertainty in our State appropriation at the time of this writing, the University's Fiscal Year 2018 preliminary spending plan for state appropriated funds is presented at a level that reflects a 20% reduction in our state appropriation. The Income Fund budget reflects the necessary salary obligations and operating increases, and in order to balance this spending plan with the projected revenue, the University would need to identify expense reductions.

Western Illinois University's *Fiscal Year 2018 All-Funds Operating Budget* will be presented to the Western Illinois University Board of Trustees in October and will include the appropriation approved by the General Assembly and income projections based on fall enrollment.
