### Our Heritage

WIU-Macomb, a traditional, residential four-year campus, opened its doors in September 1902. WIU-Quad Cities, an urban, non-residential campus and the only public university in the Quad Cities, has been providing educational opportunities to the region for more than 50 years.

### Our Commitment

Western Illinois University fosters respect, equity and inclusion for all students, faculty and staff. WIU is committed to anti-racism, anti-oppression, equity, social justice and diversity. We value inclusion as a core value and as an essential element of Western's public service mission.

### Cost Guarantee

Western Illinois University ensures that your college years will be a good investment with its guaranteed four-year rate for tuition. All new undergraduate students entering the University are automatically included in the plan, which freezes the per-hour rate you pay for a four-year period, so tuition will stay the same each year you are here. Western was the first university in Illinois to offer this guarantee.
