2016 SUMMER STIPENDS

The Western Illinois University Foundation and the Office of Sponsored Projects will award up to ten summer stipends in the amount of $3,000 each for Summer 2016. Additional support is possible from the Office of Sponsored Projects.

Of special note, the Foundation has funds available for two additional grants specifically related to academic enhancements in the classroom (Category 1 or 2 projects). These curriculum-related awards will be for proposals designed to increase and maintain academic standards, to fund proposals designed to enhance classroom instruction and improve research capabilities, and to assist in developing and increasing the facilities of Western Illinois University for broader educational opportunities.

All of these grants provide opportunities for faculty to engage in projects leading to the professional advancement of the proposal writer and the enhancement of Western Illinois University in the areas of teaching, research and creative activity. While teaching, research, and creative activities are expected of every faculty member, the summer stipend is intended to allow faculty to pursue projects well beyond those which can normally be pursued during the academic year. Submit proposals in one of the following categories:

1. Curriculum - Development of a significant curriculum proposal
2. Curriculum - Mastery of a new instructional technique
3. Research - Research leading to publication
4. Research - Research required to prepare an external granting agency application
5. Creation of work leading to a performance or exhibition

The selection committee will be made up of representatives from each college of the University, representatives from the Center for Innovation in Teaching and Research (CITR), and representatives from the University Research Council (URC). In the review and award process, the committee will pay special attention to the "expected outcomes" section of the proposal in order to ensure that substantial outcomes will result from the stipend-funded project.

Proposals for summer stipends must be submitted to the WIU Foundation Office, 303 Sherman Hall, no later than 4:30 PM Monday, September 21. Signatures are required from Department Chairs and Deans, and applications are not complete until all signatures have been obtained. The Committee will not accept late proposals. Letters of support would be helpful to the committee. Proposals must follow the guidelines and policies described in the following pages. Please read them carefully. The Committee will only consider applications that follow the guidelines, supply important information, present scholarly quality, and meet the application deadline.

Examples of successfully funded stipend awards and this application in PDF format can be found on the Center for Innovation in Teaching and Research website at http://www.wiu.edu/CITR/resources/summer_stipend.php

If you have questions concerning the implementation of these guidelines, feel free to contact Lisa Krieg, Office of the Vice President for Advancement and Public Services, (298-1808).
I. **Applicant Eligibility**

   In order to be eligible to receive a summer stipend, the following criteria must be met and adhered to:

   **Applicants**
   - should be tenured faculty or tenure track faculty holding the earned doctorate or a terminal degree traditionally and commonly accepted in the particular discipline. (However, proposals submitted by Associate Faculty, Academic Support Professionals (Unit B) or temporary faculty will not be excluded from consideration.)
   - must continue employment for the year following receipt of award or the stipend must be returned.
   - must notify the committee if the approved project significantly changes.
   - cannot receive a Center for Innovation in Teaching and Research, University Research Council, or Foundation Grant concurrent with a summer stipend.
   - must have submitted a final technical report from all previous Center for Innovation in Teaching and Research, University Research Council, and Foundation Grants.
   - may not accept summer teaching assignment if awarded a summer stipend.
   - may not receive summer stipends in consecutive summers.
   - Receipt of other compensation, including externally-funded grants/contracts, during the summer will be considered on a case-by-case basis.

II. **Project Eligibility**

   A. Applicants may not accept a Center for Innovation in Teaching and Research, University Research Council, or Foundation award for the same project, or for a project that was previously funded with a CITR, URC, or a Foundation grant.

   B. Projects which involve human and/or animal subjects must be conducted within the University's formal procedures for such projects. Information on these procedures may be obtained from the Office of Sponsored Projects. Include a copy of your permission letter from OSP.

   C. A project which is a continuation of a previously-funded project, such as another chapter of the same manuscript or multiple parts of a large project, is ineligible for funding.

III. **Reporting Requirements**

   A final report must be submitted within two months of the award termination date. Notice of any publication resulting in whole or in part from the award and which acknowledges the WIU Foundation should be sent to the Foundation. (A reprint must be forwarded as soon as available.) This information is valuable to the administration in attempting to evaluate the effectiveness of the program. Acknowledgement must be given to the WIU Foundation and the Office of Sponsored Projects.
IV. Proposal Format

A. Mail the signed original to the WIU Foundation Office, 303 Sherman Hall. The entire proposal (items # 1-5) and your appendixes plus the bibliography and vitae (items #6 & #7) must be submitted electronically as one document in MS WORD or as a PDF to Lisa Krieg at ll-krieg@wiu.edu. All submissions must be received no later than 4:30 PM Monday, September 21.

B. The application sheet must be signed by the department chair and the dean. Include the following information in the completed proposal:

<table>
<thead>
<tr>
<th>Guidelines Requirement</th>
<th>Submission Requirement</th>
<th>✔</th>
</tr>
</thead>
<tbody>
<tr>
<td>Items 1-7 below</td>
<td>If any item is omitted, please include an explanation</td>
<td></td>
</tr>
<tr>
<td>Document Length (items 1-5)</td>
<td>Maximum of 10 pages, double spaced, one inch margins all around, 12 pt font</td>
<td></td>
</tr>
<tr>
<td>Category (pick only one)</td>
<td>Indicate one of the five categories for which you wish to be considered</td>
<td></td>
</tr>
<tr>
<td>Appendixes</td>
<td>Limited to 10 pages</td>
<td></td>
</tr>
<tr>
<td>Bibliography &amp; Vitae</td>
<td>Comprehensive and Current</td>
<td></td>
</tr>
<tr>
<td>Distribution</td>
<td>1 signed original to SH 303, plus entire document (one document) in MS WORD or as a PDF to <a href="mailto:LL-Krieg@wiu.edu">LL-Krieg@wiu.edu</a></td>
<td></td>
</tr>
<tr>
<td>Signatures</td>
<td>Department Chair and College Dean</td>
<td></td>
</tr>
</tbody>
</table>

1. Title. The title should be a clear description of what you plan to accomplish or investigate.

2. Abstract or Purpose. The abstract will not exceed 200 words and will be written in relatively non-technical language, avoiding the use of jargon.

3. Budget

   (a) Personal Services – Stipends

   Stipends are for $3000 for the period May 15 to August 15. The stipend will be in the July 1 personal services payment and the applicable taxes and retirement will be withheld. The proposal may include other line items in lieu of all or part of the stipend amount.
(b) Other Line Items – up to $500
If this support is needed for completion of the project and a justification for the cost is made in the proposal, additional funding may be available. You are responsible for completing the paperwork to obtain this funding.

- **Graduate Assistants or Student Help**

- **Travel**
  Support for travel will be limited to an amount not to exceed that required for coach (tourist) class fare, plus lodging (single occupancy rate) at the destination. Subsistence (per diem) is seldom supported. Travel request information should conform to University guidelines.

- **Equipment**
  You must show that the equipment is necessary to the project and is not available on campus. For this last requirement, indicate the active steps taken to determine lack of availability.

- **Commodities**

- **Contractual Services**

4. **Narrative**

   (a) **Introduction.** Provide a concise explanation of the nature and scope of the proposed project and its significance. Provide enough background information to orient the reviewer. Describe your professional qualifications for doing this project.

   (b) **Objectives.** A statement of the objectives or goals to be achieved by this project should be included. Please try to be as specific as possible so that the goals, procedures, and expected outcomes can be evaluated.

   (c) **Procedures.** Provide a clear explanation of your proposed activity. Describe what you intend to do, and state when and where you intend to do it. This statement should also be free of jargon.

   (d) **Expected Outcomes.** Prepare a brief description of the expected final outcomes of the project.

5. **Evaluation Procedures**
   Include the procedures to be used to evaluate the effectiveness of the proposed outcomes.

6. **Bibliography**

7. **Curriculum Vitae**
Mail the signed original to the WIU Foundation Office, 303 Sherman Hall. The entire typed proposal (items #1-5) and your appendixes plus the bibliography and vitae (items #6 & #7) must be submitted electronically as one document in MS WORD or as a PDF to Lisa Krieg at ll-krieg@wiu.edu in the WIU Foundation Office. The original application with signature sheet and the electronic submission must be received no later than 4:30 PM Monday, September 21.
