

# Registering For Classes

\*Look up your time to register on you STARS Account home page. You can register any time after the date listed.

\*You cannot register until your advisor hold and any other holds have been removed even after your scheduled time to register.

\*work up your schedule before your registration time and date to ensure that there are no scheduling conflicts or closed classes

1. Log into you STARS account
2. Use the drop down menu and select registration
3. If you have the STAR numbers for the classes you wish to enroll in, type the number and then hit enter then in the open window. Continue for all classes you are registering for.
4. If you do not have the star number click on course search on the bottom of the page
5. Clicking this button will take you to this second page.
6. Enter in the information to narrow down your search results. Hit search courses. This will take you to the third page.
7. Scroll to find the class you wish to enroll in. **Be sure to select the correct course at the correct time.**
8. Click the register button and the class will be added to your schedule. Do this for all the classes you are registering for.
9. Always be sure to double check prerequisites, sections, and lab times.
10. If you accidently register for the wrong class or section hit the drop button.
