## A Magical Evening Dr. L. Welch

Professor, Department of Mathematics and Philosophy

Dr. Welch will be demonstrating magic tricks, some (but not all) of it with a mathematical component. One mathematical routine is good for presenting to school children, and will be explained.

All are warmly welcome to join this exciting magical moment.

Pizza and drinks will be available. If you have any questions or ideas for future meetings, please email Shaikh at [s-obaidullah@wiu.edu](mailto:s-obaidullah@wiu.edu).
