Game Night & Math Buddies

Come join the Math Club for a back to school game night! We will be playing a variety of games to kick off the school year. There will also be pizza to celebrate!!!

This year we will begin our second year of Math Buddies, pairing new math majors with experienced math majors for friendship and advice on the "in's and out's" of being a math major at WIU.

- **If you are a new math major and would like to be paired with an experienced buddy, please come to our meeting! If you cannot attend the meeting but are still interested, email Audrey at a-fletcher@wiu.edu.**
- **If you are interested in being an experienced buddy, please email or talk to Audrey.**

If you have any questions, please contact Math Club President Audrey Fletcher at a-fletcher@wiu.edu.
