# Math Club

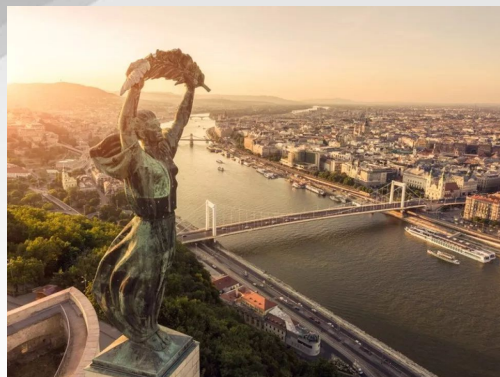

Wednesday, September 4  
Morgan 224  
5:30 p.m.

## **Budapest Semesters in Mathematics Education**

Audrey Fletcher will give a talk about her summer in Hungary learning about mathematics education. She will talk about her experiences (with pictures!) and some of what she learned about the Hungarian method of teaching math.

There will be refreshments and pizza, and all is welcome in the audience!

If you have any questions, please contact math club president Jordan Hughes at [jk-hughes2@wiu.edu](mailto:jk-hughes2@wiu.edu)
