A Day in the Life of a Teacher

By Tyler Van Vleet

Do you wonder what it's like to be a math teacher? Our guest speaker will talk about his career as a high school math teacher and what he has learned so far. He will also share some tips and strategies that he believes are useful to beginning high school math teachers.

Join Math Club for this talk, and enjoy some pizza and refreshments as well.

If you have any questions, please email Malone Wall at ma-wall@wiu.edu
