- Agriculture
  Occupational Clusters:
  - Agricultural Business
  - Agricultural Education
  - Agricultural Science
  - Agricultural Technology Management
  - Agronomy
  - Animal Science
  - Conservation
  - Farm Operations
  - Horticulture
  - Urban Forestry

- Construction Management
- Engineering Technology
- Graphic Communication

Pre-Professional programs
- Pre-Forestry
- Pre-Veterinary
Goals for Today

• Meet your academic advisor

• Discuss Fall 2015 course options
  (Does everyone have a Tentative Course Schedule Plan?)

• Search and register for Fall 2015 courses on STARS

• Set up WIU email
Anna James — Business (M-Q), Computer Science, Information Systems and Network Technologies

Ember Keithley — Agriculture and Pre-Professional Programs: Pre-Forestry and Pre-Veterinary Medicine

Andi Potter — Construction Management, Engineering Technology, Graphic Communication and Engineering (A-M) Macomb

Chris Ramsey — Business (HJ-L) and Engineering (N-Z) in Macomb

Andrea Riebling — Business (A-HI)

Michelle Terry — Business (R-Z) and Study Abroad

If you don’t see your advisor here it’s because you’ll meet them at the next session immediately following the major meeting.
Your Advisor

• First contact for information and assistance

• Registration assistance

• Degree Plan questions

• Policy questions

• Good source for information – study skills, tutoring, career fair, student activities, study abroad, etc.
Freshmen are required to complete one FYE course fall semester along with UNIV 100

FYE courses are designated with a “Y” indicator – can only take ONE

You will work with an advisor to select an appropriate FYE course. Refer to page 8 of the Handbook
• All majors require at least 43 credit hours of General Education courses. Categories are: Communication Skills, Natural Sciences and Mathematics, Social Sciences, Humanities and Fine Arts, Multicultural Studies, and Human-Well Being (refer to the tentative course selection sheet)

Math Placement (orange sheet)

PIP – Placement Improvement Program
Math 099N is a non-credit course – but will count for full-time status.
Most students will take 14-17 hours of course work their first semester:

- First Year Experience course - “Y” 3 hrs.
- UNIV 100 1 hr.
- ENG 100 or 180 depending on placement 3 hrs.
- Math placement 0-4 hrs.
- General Education courses – one or two 3-4 hrs.
- Major/minor course – one or two 3 hrs.

Suggest you spread classes out – some M,W,F and some T,TH.
Every hour a student is in class, at least 2-3 hours of studying is expected!
Also elective classes options: MS 111 or MUS 116 or MS 105
How to be successful

- Go to class! (map out ahead of time)
- Meet with your advisor
- Time Management - Get a daily planner AND use it!
- Buy books
- Connect with other students in class and residential halls
- Connect with faculty and staff
- Reach out if you are needing assistance
- Utilize resources on campus
- Participate in activities
Students will need the following:

- Student packet
- **STARS** and Email Passwords
- Orange placement folder
- Information on dual credit
- AP or CLEP advanced placement credit (if credits are coming in late, let your advisor know!)
- Transfer credit information
- Summer enrollment information

*Please refrain from cell phone use with students during the next session - Thank You.*
Advisors will now continue to work with students until 11:20.
Students and parents with a schedule in the **Group 1** box will now leave with an O Team member.
(If Group 1 box empty remain seated.)
