*Higher Values in Higher Education*

Personal Growth • Social Responsibility

The Integrated Baccalaureate and Master of Arts Degree Program in Sociology provides an opportunity for outstanding undergraduate Sociology majors to complete both Bachelor and Master of Arts (BA and MA) degrees in five years. Typically, the baccalaureate degree requires four years to complete, and a master's degree requires an additional minimum of two years. The goals of the program are to teach students discipline-specific history, theory, and methods, as well as to develop critical thinking and technical skills in utilizing the sociological perspective for understanding the social world and affecting positive change.

## Admission Requirements

Undergraduate Sociology students may apply for admission to the Integrated Baccalaureate and Master of Arts Degree Program (IBMP) after completing 60 semester hours (SH) of undergraduate coursework, of which a minimum of 30 SH must be at Western Illinois University. Applicants for admission to the integrated program in Sociology must have a cumulative grade point average of at least 3.25 and a major GPA of at least 3.25, or a minimum 3.0 cumulative GPA with a 3.3 GPA in the last 30 credit hours earned at WIU.

To apply to the integrated program, students must submit the following documents to the School of Graduate Studies:

- A School of Graduate Studies application form (available at [wiu.edu/grad](http://wiu.edu/grad))
- Official transcripts from each college or university previously attended
- A two-three page personal statement that explains larger career goals and how the MA degree will further those objectives
- An academic paper of at least 7-10 pages, demonstrating (1) the use and application of sociological knowledge and analysis; (2) the ability to develop a central theme with a clear, sustained argument; and (3) the ability to write a well-researched thesis or journal length article
- Three confidential letters of recommendation

Applications will not be reviewed until all materials have been received. In addition, an interview may be required. Submission of Graduate Record Examination (GRE) scores is highly recommended.

## Integrated Degree Course Requirements

Admission must be granted by the School of Graduate Studies before a student will be allowed to enroll in IBMP "bridge" ("B") courses.
