Western Illinois University Quad Cities – The public Choice for Higher Education has exciting news. Western Illinois now has a reverse transfer agreement with local community colleges. This new agreement means that credits you earn from any of the area community colleges can transfer toward your western degree. If you're currently a western student and you decide you want to go back to community college your credits now transfer with you. The choice has never been easier. Western Illinois University Quad Cities lets you be close to home, gives Illinois and Iowa residents the same affordable tuition rates, and even has a cost guarantee. You'll know the cost of your degree from day one. All combined with the convenient expanding state of the art Riverfront Campus - just minutes from the I-74 bridge. Get more information about the registration process by calling 762-1495 or online at wiu.edu/qc. Western Illinois University Quad Cities – Think Purple – Stay Local!
