

QC Block Finals Schedule
Updated 03/08/2011

*All WIU-Quad Cities courses are to meet during prescribed Block & Final Exam times to maximize student opportunity to enroll in multiple courses across disciplines, to minimize or predict course conflicts for students; and to maximize facility efficiency.

*The WIU-QC block applies to a typical 16-week, 3-semester hour course. For other hours and irregular courses, use block start times and adjust length of time for contact hours.

*All M-Th courses should adhere to the block. If there is a need for a course to meet "off-block" please contact Kristi Mindrup to coordinate, KS-Mindrup@wiu.edu
