The following outlines the process for requesting and receiving alternate format(s) of books and classroom materials for students registered with the Disability Resource Center (DRC).

- Requests should be made by me a minimum of **6 weeks prior** to the first day of class, or the date materials are needed. DRC will make every attempt to provide books/materials by the date needed.
- I understand that if I do not submit a request according to the timeline above, requested materials may not be available when needed.
- DRC will make every attempt to request an electronic version of the textbook from the publisher. I understand that I need to provide DRC with a purchased book upon making this Alternative Format request.
- In the process of scanning my book DRC will cut the pages from the binding. When the conversion process is completed DRC, upon my request, will re-bind my book and have it ready for me to pick up.
- ***I agree not to reproduce or distribute this e-text in any other format nor can anyone else be allowed to do so.*** Any further reproduction or distribution is considered copyright infringement.
- I understand that I must provide proof of payment for books/materials to DRC prior to receiving any alternate formats.
- I understand that I will be notified at the e-mail address I listed above when books/materials are ready for pick up at DRC, 143 Memorial Hall.

I acknowledge and understand the outlined process as described above.
