FAX: 309/298-2353
Financial-aid@wiu.edu

I want to be considered for a cost of attendance (budget) review (up to \$1000) for possible additional loan eligibility for the purchase of a computer for the 2023-24 academic year. I have attached a receipt, lay-away slip, or price quote dated between July 1, 2022 and June 30, 2024 which contains the following items:

- date of purchase/quote
- name of the retailer
- an itemized list of hardware
- total cost of the computer

I understand the following:

- If approved, I will contact the Financial Aid Office to review my account for additional loan eligibility.
- **Approval of this cost of attendance (budget) increase, does NOT guarantee additional loan funds.**
- If I have borrowed the maximum annual federal loan limit, I may have to apply for a private alternative loan or my parents may have to apply for a Parent PLUS Loan. (See information about alternative and PLUS Loans in the Loan section of www.wiu.edu/fa).
- **I understand I will be contacted through my WIU email account after review is complete.**
