Each year, the vice presidents and areas reporting to the president update the campus community on accomplishments, goals, and objectives in open public presentations. The presentations are scheduled for April 19th (8:00 – 11:00) and 20th (8:00 – 11:00) in the Capitol Room at the University Union and they will be broadcast to the Quad Cities Riverfront Campus in rooms noted parenthetically in the table below.

<u>Date/Time</u>	<u>Presenter</u>	<u>Area</u>

9:00 – 10:00	Joe Rives	Quad Cities, Planning and Technology (RF 111)

The information presented at these meetings is the source for many Western Illinois University Board of Trustees and Illinois Board of Higher Education reports and subsequent institutional planning and budgeting. Combined, these presentations will demonstrate how Western Illinois University is collectively and successfully advancing the priorities and goals in *Higher Values in Higher Education*. I will also provide you with a summary of institutional plans and accomplishments from these presentations in a future Strategic Plan Update.

If you have any questions regarding the information in this month's *Update*, please contact me.
