Re: May 2018 Strategic Plan Update

The Vice Presidents for their areas of responsibility and Ms. Letisha Trepac on behalf of the areas that report to the President made their annual *Planning and Accomplishment Presentations* to the university community on May 3-4, 2018. These power point *Presentations* and *Reports* are now available from the University Planning website at [www.wiu.edu/university\\_planning/annualpresentations.php](http://www.wiu.edu/university_planning/annualpresentations.php). You will also find access to previous reports and presentations at the bottom of this page.

*Annual Planning and Accomplishment Presentations* made by the Deans in this and previous years are also available at [www.wiu.edu/provost/annual\\_reports/index.php](http://www.wiu.edu/provost/annual_reports/index.php). Similar materials for areas that report to the Vice President for Quad Cities and Planning are available at [www.wiu.edu/qc/about/reports.php](http://www.wiu.edu/qc/about/reports.php).

All of the *Presentations* and *Reports* referenced above relate to the vision, mission, goals, and priorities of *Higher Values in Higher Education*. Your review of these materials will show that we have accomplished much as a university community and that we continue to build an even stronger university for the future. Please contact me if you have questions and/or feedback for the continued successful advancement of the University's *Strategic Plan*.
