Re: September 2019 Strategic Plan Update

This month's *Strategic Plan Update* provides you with membership for the Academic Year 2019-2020 Social Responsibility Task Force. The Task Force will prepare a revised draft of the University's self-study for re-affirmation of accreditation from the Higher Learning Commission.

Building on the rough draft completed last year and with your feedback, we will show how Western Illinois University meets and exceeds all of the Higher Learning Commission's accreditation criteria, core components, subcomponents, and federal compliance requirements.

The Task Force will be soliciting your feedback to draft reports in future Strategic Plan Updates. A special thank you to all of the Task Force members from inside and outside Western Illinois University who are participating in this important process and to all who provide feedback to drafts in the months ahead.
