Resolution No. 24.5/1 – Change to the International Student Tuition Differential for Currently Enrolled International Graduate Students

Resolution:

WHEREAS, the Board of Trustees of Western Illinois University voted on March 22, 2024, to adopt Amended Resolution No. 24.3/4 titled *Fiscal Year 2025 Tuition Recommendation*; and

WHEREAS, the FY 2025 Tuition Recommendation included a tuition differential provision specifying that international student tuition will be assessed at 1.75 times the in-state rate, effective fall semester 2024; and

WHEREAS, the administration desires to align policy with previous communication provided to currently enrolled international graduate students about expected tuition rates;

THEREFORE, be it resolved that the tuition for international graduate students currently enrolled in Spring 2024 shall be assessed at the tuition differential in place at the time of their matriculation - 1.5 times the in-state rate. This rate will be assessed until the completion of the current degree plan or Summer 2026 as long as continuous enrollment is maintained.
