

## Veteran and Active Duty

Thank you for your past and/or current service to this country! As a veteran or service-member, there are multiple resources available to you for career development assistance.

Joining a mentoring program can be beneficial to your career and personal development. [American Corporate Partners](#) is a FREE mentoring program that pairs veterans, service members, or their spouses (post 9/11), with a corporate mentor. The time commitment is only one hour per month!

As a veteran or service member, there are laws to protect you during the employment process, including Title I of the Americans with Disabilities Act (ADA) and the Uniformed Services Employment and Reemployment Rights Act (USERRA). More detailed information can be found at this
