Prior Professional Experience

State’s Attorney’s Office for Baltimore City

1983 to 2004

Division Chief, Special Investigations, Cross-Jurisdictions (S.I.X.) Division

Lead Prosecutor, Operation Safe Neighborhood (O.S.N.) Program. 2001 to 2004

- Assisting in drafting and presenting legislation and testimony before the Maryland General Assembly concerning Constitutional issues, witness intimidation legislation, due process, and electronic surveillance and cyber security legislation.
- Investigating and prosecuting violent controlled dangerous substance (CDS) trafficking and terrorist organizations employing wire, oral, and electronic surveillance at both the State and Federal levels.

- Identifying and targeting those individuals and organizations criminally responsible for the violence in the Baltimore metropolitan area while designing a successful strategy to reduce the number of homicides and shootings and to eradicate gun violence.
- Coordinating investigative techniques to combat neighborhood violence to be deployed by all federal and local law enforcement agencies, including the DEA, FBI, ATFE, U.S. Attorney's Office, State and Federal Parole and Probation, HIDTA, Baltimore Police Department (BPD), and Community Cooperation.
- Training the Baltimore City State's Attorney's Office, the local (BPD) and federal law enforcement agencies (DEA, FBI, US Customs, ATFE) in the area of Fourth Amendment Search and Seizure issues.
- Supervising, instructing, and appraising a team of attorneys in their legal practice.
- Recipient of two City of Baltimore, Police Commissioner's Bronze Stars for Excellence.

Prosecutor, Narcotics Division

1988 to 2001

- Indicting and prosecuting major felony narcotics cases, in excess of one hundred jury trials.
- Handling multi-jurisdictional wiretap conspiracies and all pretrial motions
- State and federal (SAUSA) prosecutor
- Training, supervising, and evaluating other assistant's courtroom performances while advising and aiding federal and state law enforcement agencies concerning Constitutional, arrest, and trial issues.
- **Author of "Search and Seizure: Fourth Amendment Manual."** 250 page Manual updated yearly (1990- 2003) to outline and discuss all post-1990 Maryland decisions and to highlight key federal and Supreme Court decisions involving Fourth Amendment practices and concerns.

➤ ***Unit Chief, Habitual Offender Section, Juvenile Division***

1983 to 1988

Assigning and screening juvenile cases while supervising a team of attorneys. Composing charging petitions, handling adjudicatory and dispositional matters and conducting victim-respondent-community relations.

Legal Aid Bureau, Inc.

1982 to 1983

- ***Staff Attorney, Child in Need of Assistance (CINA) Program of Baltimore City.*** Representing severely abused and neglected children in adjudicatory and dispositional hearings, as well as Child in Placement (C.I.P.), shelter care, and termination of parental rights' cases.

University of Baltimore, Department of Criminal Justice

- Presented research entitled *Cyber Bullying: The Legal Challenge For Educators* at the 2008 Midwest Sociological Society’s Annual Meeting in St. Louis, Missouri.
- Presented a session entitled *Technology and Legality in Traffic Stops* at the Homeland Security Research Program and the Institute for Applied Criminal Justice Studies, Terrorism & Law Enforcement: Threats, Responses, and Policy Implications Event on September 19, 2008.
- Presented research concerning Witness Intimidation at the Regional Illinois State Crime Stoppers Annual Convention in May, 2008 in Quincy, Illinois.
- On January 8, 9, and 10, 2008, presented a three-day electronic surveillance training seminar for prosecutors and law enforcement personnel for the High Intensity Drug Trafficking Areas (HIDTA) Washington/Baltimore. The presentation covered Title III wiretap matters, the USA PATRIOT Act, Fourth Amendment concerns and foreign and domestic terrorist and security investigative tactics. Included in the presentation were approximately 500 Power Point slides and numerous handouts, including sample applications, court orders and interview tips, technology resources and development,

and numerous practical applications and alternatives to typical investigative practices.

2007

- Myers, J.J. (2007). Published an article entitled, “*Our Panoptical Society: Where the Invisible Becomes Visible*,” in the peer-reviewed journal, Law Enforcement Executive Forum, Vol. 7, No. 6 on pages 85 – 134 (2007).
- On March 13- 17 2007 presented research discussing *Our Panoptical Society: Where the Invisible Becomes Visible* and *The Legality of Converting Information into Actionable Intelligence by Law Enforcement* to the Academy of Criminal Justice Sciences, at their annual National meeting in Seattle, Washington.
- On April 7, 2007 presented research discussing *The Legality of Converting Information into Actionable Intelligence by Law Enforcement* to the Midwest Sociological Society’s Annual Conference in Chicago, Illinois.
- On May 11, 2007 presented at the 2007 Illinois State Crime Stoppers Association’s Annual Meeting and Conference held in Carlinville Illinois at their general session discussing the legal issues surrounding disclosure of an informant’s identity. I also participated in several question and answer sessions concerning the Informant’s Privilege and other legislative concerns surrounding electronic surveillance and interception.
- Served as a consultant/ member since June, 2007 to the Illinois Association Chief of Police’s Legislative Committee. For my part I assist the committee on drafting electronic eavesdropping legislation. Additionally, we are working on public relations activities to engage political support for the proposed legislation.
- Edited and reviewed an article entitled, “*Due Process and Improper Police Response to Domestic Abuse*,” for the peer-reviewed publication, An International Journal of Police Strategies and Management in October 2007.
- Presented on May 9, 2007, an interactive analytical program entitled, *An Analysis of the Effect of Methamphetamine Precursor Laws on Production and Use Control* discussing the findings of a research study conducted by myself, Mary Horstman of the Computer Science Department and Hal Marchand of the Health Science Department at the i2 National User Conference in Arlington, Virginia. The gist of the presentation centered on the application of i2 software in analyzing massive amounts of data collected by local law enforcement to assess the effectiveness of the new precursor legislation. The audience consisted of law enforcement practitioners in both state and federal venues, analysts, university professors and analytical software vendors.
- Myers, J.J. (2007). Published an article entitled *The Legality of Converting Information into Actionable Intelligence by Law Enforcement*, in the refereed journal, Law Enforcement Executive Forum, Volume 7, No. 5 on pages 87 – 129.

2006

- Myers, J.J. & Hazlett, M.(2006), co-published an article entitled *A Collection of Traffic Stop Information and Biased Enforcement: The Research and Legal Perspective* in the quarterly peer-reviewed journal, Professional Issues in Criminal Justice (PICJ) Volume 1 Number 2.

- Myers, J.J. Served as one of three advisory editors for the refereed Encyclopedia of Privacy (Two Volumes) which was published by Greenwood Press in January 2007. The publication was reviewed in June 2007 by Choice Publications and was recognized as an Outstanding Academic Title. The Choice award is highly selective in that it is awarded for only 10% of the 7000 academic works published annually.
- Myers, J.J. Published twelve articles in the refereed Encyclopedia of Privacy. The articles were entitled:
 - *Electronic Communication Privacy Act of 1986*, pages 192 – 198;
 - *Thermal Sensors*, pages 559-561;
 - *X-Ray Devices*, pages 621 – 622;

 - *Garbage*, pages 243 – 247;
 - *Keystroke Loggers*, page 320;

 - *Surveillance Cameras*, pages 544 -549;

 - *Multi-State Anti-Terrorism Information Exchange (MATRIX)*, pages 342-343;

 - *Voice Identification*, pages 597- 598;
 - *Katz v. United States*, pages 317-319;
 - *National Identity Cards*, pages 348 – 349;

 - *Computer Assisted Passenger Prescreening System (CAPPS II) or Secure Flight*, pages 106-107; and

 - *Pen Register/Trap and Trace Devices*, pages 381-383.
- Research presenter at 2006 Midwest Sociological Society's Annual Conference in St. Louis MO. Research presented, *Our Panoptical Society, Where the Invisible Becomes Visible*. The research discussed the use of technological developments by law enforcement and the private sector and its effects on privacy rights.
- On October 26, 2006, I, Dr. Hal Marchand of Health Sciences, and Mary Horstman of Computer Sciences received a University Research Council grant to study the effects of the Illinois Methamphetamine Precursor Act.
- On an ad hoc basis I served as a legal consultant for Home Box Office's production of *The Wire*. Several times throughout each production season, I was contacted regarding questions related to the constitutionality or legality of some procedures being contemplated within the script.
- As a member of the Macomb Online Safety Team (MOST) I conducted a parental

survey to determine the level of knowledge about Internet Safety known and shared between parents and children. After calculating the results using a SPSS program, the survey was distributed to all parents attending Internet Safety programs at McDonough County School events during the Spring, 2007.

- Myers, J.J. & Cunningham, S. Co-published an article entitled *Illinois Legislation Preserves Privileged Communications; Countering the Stop Snitching Movement. Crime Stoppers versus the “Omerta”*, in the Illinois Association of Chiefs of Police, Beyond Command Journal, Special 2006 Summer Edition, Volume 3, Issue 4.
- Secured a Consortium of Academic and Research Libraries in Illinois (CARLI) Homeland Security Collection Grant in July, 2006 with William Thompson of the Reference Department of WIU Libraries and Christine Lloyd of the Economics Department. For my part I conducted the research concerning the development and use of games (video, board and card) as a reflection of society’s perception of security issues and as a means of military and law enforcement training and recruitment mechanisms. My research spanned from the 1824 military board game of Kriegspiel to the 2006 game created by rapper 50 Cent entitled “Bulletproof”.
- On March 13, 14 and 15, 2006, I conducted a three day seminar for prosecutors and law enforcement personnel for the High Intensity Drug Trafficking Area (HIDTA) Washington/Baltimore. The presentation covered Title III wiretap matters, the USA Patriot Act, Fourth Amendment concerns and foreign and domestic terrorist and security investigative tactics.
- On July 17, 2006 conducted a Symposium on Ethics in Criminal Justice sponsored by the Institute for Applied Criminal Justice Studies, the Department of Law Enforcement and Justice Administration, WIU and the Illinois Law Enforcement Executive Institute. For my part, I assisted in identifying some of the principles of ethical policing and decision-making that were incorporated into the content for the three breakout workshop sessions as part of the overall program. I was primarily responsible for organizing, leading, and overseeing the Ethics and Legal Liability Workshop session. Additionally, I helped edit Mr. Murray’s (co-participant and an A.S.A from Chicago) Power Point presentation and factual scenarios that were used to enhance the presentation.
- Resources Secured: June 2006. Secured \$210,425.00 worth of analyst software, annual support, and 40 licensed seats for students and two licensed seats for professor use. In addition, I successfully completed a 5 day training session conducted by Choice Point’s, i2 Training Facility in McLean, Virginia. So that I can train WIU faculty, students, and staff as an i2 Collegiate Partner.
- Resources Secured: September 2006, \$6000.00 worth of audio and digital equipment on loan from Digital Audio Corporation (DAC) to be used in podcasting research project.

- On July 11 through July 14, 2005 presented training to the Baltimore City State's Attorney's Office on 4th Amendment and Electronic Surveillance matters.
- Myers, J.J. Published an article entitled *Inside the Fishbowl: The Fourth Amendment's Application to Vehicle Searches and Seizures* in the peer reviewed publication, Illinois Law Enforcement Executive Forum.(September 2005.)
- Provided legal assistance to the South Carolina Law Enforcement Division (SLED) on the use of Wiretap and Electronic Surveillance as an Investigative technique. 2005.
